Run for a Vet in Mercer

Tuesday, July 4, 2023 at 8 a.m.

By going to www.runsignup.com individuals can run a 5K run or a 1-mile fun run/walk or even a virtual challenge.

If you sign up before June 17th price is only \$20.

Your contribution, participation, donation and generosity support those courageous individuals who make the sacrifice for the sake of freedom. As always, proceeds support area veterans, military persons and their families, or other veteran-related activities or organizations. This year, the Run for a Vet Race proceeds will support Northwoods Veterans Homestead-an area non-profit organization which helps homeless veterans or veterans lacking means or housing. One of the primary projects is to build a tiny home neighborhood and facilitate teaching, lifting up to help homeless veterans have a better productive life.

Ribbon cutting ceremony for Northwoods Veterans Homestead by the Rhinelander Area Chamber of Commerce Ambassadors.

Recent Activities Promoting NVH

Northwoods Veterans Homestead recently spent March 2nd and April 28th at the Hodag Dome meeting and greeting the public at the Rhinelander Area Chamber of Commerce's Up North Expo and also at the Veteran's Healing Expo. We had two great days meeting a lot of great people who were very interested in hearing about our mission and offering their help in any way possible.
